

THE HIDE AND SEEK SONG - Preschool Pop

Verse 1

I Close my eyes, count to ten
I love this game -let's play again!
You go hide and I'll wait here
Quiet... quiet... don't make a sound!
Where will they be? I'm looking around!
We're playing....

Chorus

Hide and seek! Hide and seek!
Hide, hide, hide - but remember don't speak!
Hide and seek! Hide and seek!
With a one and a two - peek-a-boo!
I found you!

Verse 2

I Close my eyes, count to ten
I love this game - let's play again!
Now you go hide and I'll wait here
Quiet... quiet... don't make a sound!
Where will they be? Start looking around!
We're playing....

Chorus

Hide and seek! Hide and seek!
Hide, hide, hide - but remember don't speak!
Hide and seek! Hide and seek!
With a one and a two—peek-a-boo!
I found you!
