

THE PUDDLE SONG - Preschool Pop

Verse

Let's go walking on a rainy day
With the rain falling from the sky
Over there on the floor
There's something fun to explore...
It's a PUDDLE!
Let's go...

Chorus

Jump, jump, jump in the puddles!
Splash, splash, splash in the puddles!
Stomp your feet and spin around
I love it when puddles make a splashing sound!
Jump, jump, jump in the puddles!
Splash, splash, splash in the puddles!
Stomp your feet and spin around
I love it when puddles make a splashing sound!

Bridge

With your left foot let's SPLASH
With your right foot let's SPLASH
With both feet together
Let's all jump together
SPLISH SPLASH SPLOSH

Chorus

Jump, jump, jump in the puddles!
Splash, splash, splash in the puddles!
Stomp your feet and spin around
I love it when puddles make a splashing sound!
Jump, jump, jump in the puddles!
Splash, splash, splash in the puddles!
Stomp your feet and spin around
I love it when puddles make a splashing sound!
